PRINCIPAL'S NOTE

Kia Ora

We have 16 students who will be making their First Reconciliation later in June. We are finalising a date for this currently and the school will attend Reconciliation in support of these students. Best wishes to Winter who will be Baptised this weekend.

Our PB4L focus for this week and next is to "Follow Instruction Straight Away." I'm sure this could be a helpful one to practice at home too. We are encouraging the students to listen, think and do as they have been asked, without arguing or task avoiding. Support from you at home helps to develop and reinforce these life-long skills.

Have a fantastic long weekend and we look forward to seeing everyone back on Tuesday, especially the junior team who will be heading to Napier to the Aquarium.

CATHOLIC CHARACTER

Scripture Reading Competition

Congratulations to Tori and Remi who have been selected to represent our school in the Palmerston North Catholic Schools Year 5 and 6 scripture reading competition on the 5 of June.

Well done girls! You both have wonderful public speaking skills. Good luck for next week.

What is the Feast of the Sacred Heart?

Friday 7 June

This day celebrates the Sacred Heart of Jesus that is the symbol of God's infinite love - the symbol of His own generous self-sacrificing love for everyone. Jesus shows His Divine Heart as a fire whose burning rays of love are able to revive faith and rekindle love in hearts grown cold and unthankful.

WHĀNAU HUI

Thank you to those who attended the hui on Monday evening. Continuing what we already do and strengthening a sense of belonging and whakawhanaungatanga was a focus. The group discussed ways in which we can move forward in the future to provide opportunities to further develop this, for example cultural practices and events with school, tikanga and how we can continue to reinforce this everyday school practice.

A sub committee has been formed to help facilitate and drive some of the upcoming cultural events such as Matariki and the Kapa Haka Festival in September.

POSITIVE BEHAVIOUR FOR LEARNING

The next step in our PB4L journey has been to establish clear procedures for when our behaviour system needs to be used. This ensures consistency and provides a framework for us to follow. It is important that our community is aware of our procedures. Positive stuff is coming next week! Questions and feedback is welcome.
