## PRINCIPAL'S NOTE

### PRINCIPAL'S NOTE

Kia Ora

Congratulations to Amy and Harley on the birth of your son Kenzie. Ryker is super excited to have another little brother!

The Regent theatre have kindly offered us the opportunity to see The King of Kings movie on the day it opens.

All classes will be walking up to the theatre on Thursday 10 April for a 9.30 showing.

The animated movie "The King of Kings," is rated PG, as it features thematic material (story of Jesus' life, violent content, and some scary moments), all of which are considered appropriate for a general audience but may require parental guidance.

Here's a more detailed breakdown:

- **Thematic Material:** The movie explores themes of faith, hope, love, and redemption, which are central to the story of Jesus.
- **Violent Content:** While the movie is animated, it does contain scenes of violence, which are necessary to depict the trials and tribulations of Jesus' life.
- **Scary Moments:** The movie may contain some scenes that could be frightening or intense for younger viewers, which is why the PG rating is recommended.

If you would rather your child didn't watch this movie they will be supervised at school Please contact the office.

Mā te Atua koutou e manaaki i ngā wā katoa  
May God always bless you.
