PRINCIPALS NOTE

Kia Ora
We would like to extend a warm welcome to Nathan and his family to St Joseph's. Nathan joined Room 3 today, and we hope you and your whānau enjoy being part of our kura.

Our students have had an amazing week! Our Year 5–8 students have enjoyed a fantastic time at Ranui Farm Park, while our junior team have been busy with their own fun filled EOTC week. Check out our Facebook page to see some of the wonderful experiences and adventures they have been enjoying.

A huge thank you to all our parent helpers who have generously given their time to make these experiences possible. We really appreciate your willingness to get involved and support our students.

A special thank you also to our amazing staff for all their hard work and dedication. An enormous amount of planning and organisation goes into making weeks like this happen, particularly at such a busy time of year when teachers are also juggling assessments, analysing achievement data and writing end of year reports. Your commitment to providing these memorable learning experiences for our students, while managing everything else that comes with this time of year, is very much appreciated!

May God always bless you.
