PRINCIPALS NOTE

Kia Ora

Welcome to Term 3! It's hard to believe we're already in the second half of the year. It's great to have Olivia join Room 1 and Zaira in Room 4 this week, and we hope they enjoy their time at our school.

Lots of work happened over the holidays to get our new playground ready, and we couldn't have done it without the support of so many people.

A huge thank you to Playground People for designing the playground, Kaweka Contractors for installing it, our amazing Home & School for all their fundraising efforts, and our fantastic volunteers who gave up their time to spread the bark and build the edging.

We're also incredibly grateful to the Monty Fairbrother Trust and the Eastern & Central Community Trust for their generous grants, which helped make this project happen.

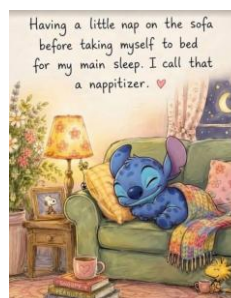

The best part has been seeing our students absolutely loving the new playground – some are having so much fun they don't want to leave at the end of the day!

Next week we will welcome the Education Review Office (ERO) to our school on Tuesday and Wednesday. ERO works with schools across New Zealand to support quality teaching and learning and to help ensure the best possible outcomes for all students.

We will begin their visit with a mihi whakatau in Rooms 5 and 6 before they spend time observing learning, talking with staff, students and trustees, and getting to know our school. We look forward to sharing the great things happening at St Joseph's and welcoming the ERO team to our school community.

May God always bless you.

ATTENDANCE

100%

of our students are attending school regularly (90%+ attendance, averaging 9 days per fortnight). Our goal is to reach 80% regular attendance, in line with the Government's target. Let's keep working together to achieve this! Great start to the term!

INTERVIEWS

MONDAY 3 & WEDNESDAY 4 AUGUST From 3.30pm

Parent/Student/Teacher Interviews will be held on Monday and Wednesday of week 3 for Rooms 2, 3, 4, 5 & 6. This is a great opportunity for you to discuss your child's mid-year report with them and their teacher.

Bookings will be taken via our Skool Loop school app. The process is simple. Please select the Bookings button, choose the teacher, day and time and press select. You will then be prompted to complete the students name, your name and add an email address for a confirmation email. Please don't hesitate to contact me should you require assistance.

Room 1 students have anniversary interviews, and these will be organised separately by Mrs Larsen.

If for some reason you are unable to attend your interview, please contact the school office prior to the interview.

NON-INTERRUPTION TIME

This term we are trialling uninterrupted learning time from 9.00 am to 1.00 pm. To make the most of this focused learning time, some of our usual morning activities, such as assembly, will move to the afternoon.

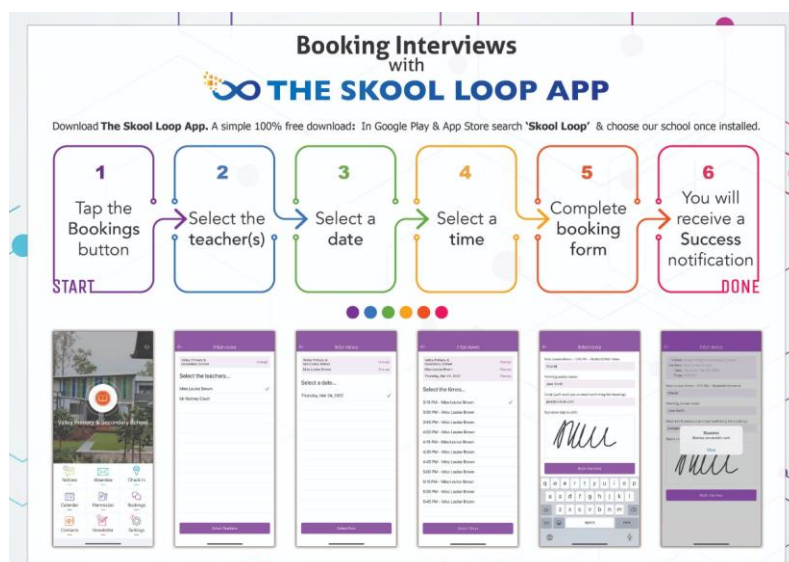

This gives students the opportunity to learn and the teachers to teach, without interruptions during the time of day when they are most focused and ready to learn.

STAFFING

We are looking forward to welcoming Mrs Jo Brown back to Room 4 when Whaea Mithula finishes on 12 August. Jo will be teaching four days a week, with Vicki Owens teaching three days each fortnight to provide release cover.
