### PRINCIPALS NOTE

Kia Ora

We have received Whaea Mithula's resignation from her position as teacher in Room 4, effective of 12 August. Week 4 term 3. Our focus remains on supporting our students and ensuring a smooth transition, and we will keep you updated as we work to appoint a new teacher. We appreciate your ongoing support.

Our refurbishment is progressing quickly. Insulation, wall linings and ceilings are being installed. Builders will be completing tasks outside while we are on break and it's a child free zone.

### ATTENDANCE

65% ↓ 3%

of our students are currently attending more than 90%, an average of 9 days a fortnight, for this term.

St Joseph's target aligns with the Government's, 80% of students to attend regularly, that is to attend school more than 90% of the time.

The new playground installations will start on Monday which is super exciting. We are hopeful to have it ready for term 3. Exciting!

We will be having a visit from the Education Review Office on the 28 & 29 July. ERO work alongside the school to review and support the quality of teaching, learning, and student wellbeing. The visit provides an opportunity to celebrate strengths, identify areas for development, and ensure the school continues to provide the best possible outcomes for all learners.
